Health insurance made possible.

Financial help available.

Individuals earning up to about $48,560 a year, and families of four earning up to about $100,400 are eligible for financial assistance.

Health plan rates are down in New Jersey, and you could qualify for financial help to lower the cost of your plan.

Plans and prices change every year. Free enrollment help is available in person and over the phone.
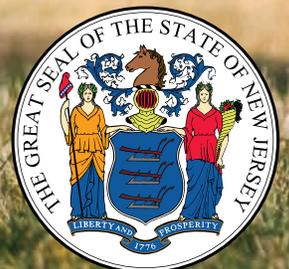

Visit **GetCovered.NJ.gov** to get started. **Enrollment ends Dec.15.**
