

Free COVID-19 Vaccine Clinic

Freehold Senior Center will be hosting a Mobile Vaccine Clinic, offering free Pfizer COVID-19 vaccines for ages 12 and up. All doses and boosters will be available.

According to CDC, vaccines reduce the risk of COVID-19, including the risk of severe illness and death among vaccinated people. Studies have shown vaccine protection declines over time – especially with the Omicron variant – and recommends getting your booster shots.

You do not need to show ID, documentation or proof of insurance to receive a vaccine.
