(Important: This appendix must be included in advertisement of budget.)

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.
If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.
Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- ___ years. (Exceeding minimum time period)
- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

FRE

The Capital Projects listed within the Six (6) Year Capital Budget are based on discussions with Department Heads, Administration and the Township Committee.

Based on the needs of the Township, certain projects will be planned for the coming year and applicable Bond Ordinances prepared to complete the projects.
