Youth Humanitarian of the Year Award

(Freehold Township Residents)

Mission & Objectives

The Human Relations Council seeks to recognize a graduating senior who demonstrates the behaviors consistent with our mission, and whose activities support those of the Council. A proclamation and a \$2,000 award will be presented to the successful candidate at the May Council meeting.

The Freehold Township Human Relations Council's mission is:

- To foster and promote good will, cooperation and conciliation among all inhabitants of Freehold Township;
- To mediate cultural problems and incidents of bias;
- To conduct forums that will allow groups or individuals to share cultural problems;

To review stereotyping or bias incidents that may occur.

Selection Criteria:

- Be a legal Freehold Township resident;
- Be a senior in high school;
- Have a minimum grade point average of 2.5;
- Submit a brief personal statement of specific examples of how you implemented the Council's objectives;
- Upload two letters of recommendation from either a community representative, club advisor, clergy, teacher, or principal to support award criteria with activities that may include, but not restricted to, school, community, or religious projects.

Application Criteria (the following must be submitted):

- Must submit high school transcript, personal statement, and letters of recommendation.

Letters of recommendation must specifically support the Freehold Township Human Relations mission as stated above. A subcommittee will review nominations and select three semi-finalist for presentation to the Human Relations Council, whereby one finalist will be selected and notified in May 2022.
