The Freehold Township Parks and Recreation Commission is proud to once again host the Annual Freehold Township Parks and Recreation Golf Classic at the Pine Barrens Golf Club. This event raises funds to support Freehold Township Parks and Recreation programs and activities.

Freehold Township has been providing outstanding recreational opportunities to residents of all age groups for more than 40 years. Committed to excellence, the department provides a wide variety of quality recreational activities including a full program at our senior complex, trips and special events and our ever-popular summer camp program. In addition, our park staff is dedicated to maintaining our passive park lands. We are most proud of our staff and facilities which are some of the finest that Monmouth County has to offer.

Thank you in advance for your continued support and for helping us to achieve our goals!
